## Fireworks at MBYH on July 3!

Richmond is first on the Bay with fireworks! Enjoy the annual fireworks show from your boat, Monday, July 3!

Fireworks are supposed to be launched from a barge in the marina at **approximately** 37° 54' 49"N 122° 21' 08"W as in previous years (although it is subject to change). Vessels will be prohibited from anchoring or operating within the exclusion zone before and during the show. Richmond PD Marine Unit will be patrolling the boundary so please give them your cooperation. Transit through the safety zone will be halted at approximately 8:00pm so make sure your vessel is in place prior to that time if you are not going to watch from your slip. Fireworks are scheduled to start approximately 9:15pm. **All times and locations are approximate — the safety zone could be closed sooner!**

Parking will also be an issue throughout the marina. Parking in Melville Square (E-Dock) usually fills up early & RPD may block access. Please display your permits! You may not get in at all without them! Come early & carpool with your guests.

## Please NO Overhangs!

Please secure your boat so no matter the wind direction it doesn't hang over the main walkway. Anything that sticks over the concrete, particularly anchor platforms is a potential hazard & people could get hurt. Spring lines are your friend here!

If necessary, the maintenance crew is ready to get out their chop saw and cut off any parts hanging over the dock.

## DUDE, WHERE'S THE DOCK CART?

Please be kind and Return All Carts to the Head of the Dock! We can't replace them, so any cart left in the parking lots to get stolen is one less cart available.
